1970 . . .
SEASONED TO PERFECTION

FALL

My Aspirations thwarted by reality, I stand with my feet in the gutter, but I gaze at a star.

The world about me is far different from what I expected to find.

Concrete, bricks, and masses of protoplasm replace my dreams of Olympus. How do I reconcile my expectations with fact? I grow.

Dazed freshmen stumble wide-eyed and bewildered into a wheeling world of change. Who says a freshmen can not bring an accumulation of eighteen years to school? It only takes three weeks of planning and two weeks of actual packing.

Home has become just a place to visit . . . The life of being on "your own" has begun.

"$59.74! You've got to be kidding!"

"That's correct, sir. You have twelve books at a total of $59.74. Will that be cash or check?"

"What do you mean, cash or check? I'm not going to pay that much for books for one quarter!"

"Next, please."

Such are the beginnings of rush, accompanied by smiles, even tempers, sisterhood, brotherhood, and exhausted rushees. The week seems like it will never end. And then the dreaded moment — a scream, tears, welcome! You are one of us.

WELCOME

What is a college? A college is a school of higher learning, or the buildings which house it, in which professors instruct students in a number of academic disciplines in preparation for their receipt of the bachelor's degree in liberal arts or science.

What is a professor? A professor is a person who teaches in a school of higher learning and who has received a bachelor's degree and/or a master's degree and/or a Ph.D.

What is a student?

It was a warm sunny day.
Why didn't it rain?

The black bands and solemn faces looked like rainy weather . . . it rains a lot in Viet Nam — so I'm told. What were they doing that day? The Moratorium was National and we participated — Taps rang our and petitions were signed — Did it end the war?

Take one well-known businessman, add one attractive blonde mistress, blend in one unsuspecting wife, one irate young man who blunders in on all of it, mix well with the direction of John Rudy and Vicky Vickers and fold in Debbie Wurst, Terry Snead, Valerie Chapman, and Chris Kauffman. Shake well and let simmer for a few weeks of rehearsals, and then your masterpiece is ready: "Any Wednesday."

WINTER

Cold showers, long lines, ugly grades, and mashed potatoes are now a part of my past — and of my future. "To dream the impossible dream" is but a meaningless cliche'.

The men with many telescopes
  Set up in many places
With various looks of fears and hopes
  Etched across their faces.
The men in the television truck
  Worked with a hurried flair,
Hoping they would be in luck,
  And get it on the air.
The clouds blew in from far away,
  The covered the city and park.
It seemed like God had the final say,
  As all the world grew dark.

A week of dances and olympics –
A week of labor and frolics –
A week of harmony and unity –
A week of love and amity.
Unity, games, and cheer
Was fun for one short week.
Thank heavens its only once a year;
This week we call, "Greek Week."

On the evenings of March 27 and 28, VSC students were offered a pleasant diversion from studies in the form of the first operas ever staged at VSC. The first of these operas, "Sunday Excursion," was short but delightful, however, it was "Down in the Valley" that was the highlight of the evening. The highly entertaining acting of Wendell Collins, the superb singing of Kieth Kiser, Clifton Young, and Patty Odum, along with the lively choreography of Sherron Long, insured that the evening would be a memorable one.

The sun reflects on the early morning dew, and sluggishness gives way to the acceleration which inevitably accompanies the end. To say that I have finally held that star would be a lie; but, at least, its light seems brighter.

SPRING

The azalea in bloom, cooling off in the swimming pool, a tall cold drink, two lovers in the park — spring fever has struck again! What a way to end the academic year, bathed in the delicious languor of springtime!

Ring Out, wild bells, to the skies above,
Ring Out, wild bells, for "A Gift of Love;"
Ring Out, wild bells, the year is 1970,
Ring Out, wild bells, for the reign of Queen Katy.

The goals of our age were shown us
In K of A's "The Age of Aquarius,"
But the Canopy revealed the realities
In the "Eye-Soaring Seventies."

"Ice man Jerry Butler
Play for every reveler,
And despite the Georgia rain
We danced to the Funkie Soul Train.

Ring Out, wild bells, as we turn to our studies,
Ring Out, wild bells, throughout the Soaring Seventies.

Earth Day!

We, the students of VSC, may not have created environmental pollution, but we are going to have to live with it. We decided that we well not let the world end with a whimper, so, on April 22, we exposed the nature and extent of the rape of our environment to the Valdosta community with speeches, slides, films, discussions, lectures, and exhibits. It is our future and our world at stake. We, the students of VSC, have accepted the challenge.

"Teach the Tots! Give to the Student Drive for the Valdosta State College Foundation." And the people of Valdosta did give to organizations collecting for a second year. The drive netted $2,243.89 with the overall afternoon drive winner being the Delta Chi's, who brought in $1,063.45. Other awards went to Soc n' Buskin for the greatest amount collected from businesses and organizations, and to Harry Hancock for the most original costume. The final finale came with the SGA picnic and the presentation of awards.

VSC became embroiled in scandal as a bit of merry old England invaded the campus with the Speech and Drama Department production of "The School for Scandal." London was the setting and slander was the subject of this highly delightful Restoration comedy directed by Nelson Hitchcock. Graceful Sherron Long, subtly pompous Jim Hicks, and the grumbling Wendell Collins will remain long in our memories, as well the commendable performances of Steve Seyfried, Lynn Hodge, John McRae, Christine and Sharon Costello, Nadine Green, Gerry Welch, Jimmie Garher, and Clifton Young. All in all, it was a riotous display of slander and calamity.

SKILLS

Player dedication and coaching excellence combined to produce a 1969-70 Rebel team which played basketball in the championship style traditional at VSC. For the fifth consecutive year the Rebels captured the Georgia Intercollegiate Athletic Conference crown with a 12-2 record. This year marked the ninth championship for VSC in the Conference's ten-year history. Against tough opposition the Rebels compiled an excellent overall record of 19-11. Bidding for an unprecedented fourth straight District 25 N.A.I.A. championship and the right to compete in the national N.A.I.A. championship tournament in Kansas City, Mo., the Rebels downed the Shorter College Hawks in the semifinals but lost the District finals to the Rams of Augusta College in a hard-fought contest, 60-54.

Though Rebel success was a product of team effort, individual standout performances were turned in by co-captain John Trimnell and freshman Willie Oxford.

Trimnell, a senior, gained honorable mention to the NAIA 1969-70 All-American basketball squad. In addition, he was named to the NAIA District 25 All-Star team, and, for the second year in a row, was an All-Georgia Intercollegiate Athletic Conference selectee.

Aggressive on defense and steady on offense, Trimnell averaged 12.1 points per game for the year and wound up an illustrious three-year career at VSC during which he scored 881 points with a shooting mark of 53 per cent.

It is unusual for a freshman to earn a starting position with the Rebels. But Willie Oxford was no fluke. Oxford averaged 16.8 points per game — highest on the team — and produced 505 points for the season. Oxford made his shots count as he posted 49 per cent field goal and 77 per cent free throw shooting percentages. Fittingly, Oxford was named ALL-GIZC and Rebel fans look forward to seeing him play next year.

Graduating co-captain Paul O'Brien was a consistent contributor to the Rebel attack in 1969-70. He made 55 per cent of his field goal attempts, highest mark among the Rebels. A fine performer throughout his college career, O'Brien will be missed next season.

Since assuming head coaching duties three years ago, Tommy Thomas has guided his baseball Rebels to Area 5 NAIA Tournaments in 1969 and 1970. Traveling to Knoxville, Tenn. for this year's tournament, the Rebels were eliminated by Livingston State of Alabama, eventual tournament winner.

The road to Knoxville was paved by a season of continuing improvement and crucial victories. The Rebs finished the season with a 22-13 overall record and a GIAC mark of 11-1. But it was a "must" victory over West Georgia in the last game of the season that gave the Rebs the GIAC crown and a bid to the District 25 NAIA Tournament in Tallahassee. Elimination of Columbus College led to a hotly-contested duel for the championship between Valdosta State and Florida A and M with the Rebs coming out on top.

Knoxville now lay ahead — a fitting challenge to a fine team.

KNEELING: Rusty Simpson, Richard Vann, Paul Montgomery, Spence Kiser, Bill Baggett, Bobby Tripp, Andy Hassell, Jimm Hall, Gordy Gruhl.

The baseball Rebels placed three men on the District 25 all-star team: pitcher, Rusty Simpson; shortstop, Bobby Tripp; and right fielder Steve Crawford. They also dominated the All GIAC squad with selectees being Simpson, Tripp, Crawford, catcher; Steve Rominger, and pitcher; Steve Sorgius.

In addition to the above honors, Crawford gained Honorable Mention All-America. For the season he batted .301 and led the Rebels in stolen bases with 18.

Pounding out 8 doubles, Tripp knocked in 16 runs and batted .292. Simpson doubled as a third baseman and pitcher and chalked up an Earned Run Average of 2.10. His record was 8 wins – 3 losses. Sorgius won 7 games and lost 3 as he posted a fine ERA of 1.43. Rominger was good in the clutch with his RBI total of 20 the highest among the Rebels.

Sponsored by Pi Kappa Phi fraternity on February 11, Ann Brightwell, representing Alpha Xi Delta sorority, was crowned Miss VSC by Dean Ward Pafford. Ann, a freshman from Valdosta majoring in vocal music, is a member of the concert choir and the Opera Theatre, and has placed well in numerous other beauty pageants. Charlotte Cunningham (left), also representing Alpha Xi Delta, was named first runner-up. She is a junior music major from Valdosta who is active in campus affairs and who has been selected for Who's Who in American Colleges and Universities. Second runner-up was Linda Reddick (right), a junior speech education major from Valdosta, who represented Alpha Delta Pi sorority.

MR. VSC

Sponsored by the Campus Canopy on January 22, Keith Kiser, representing Alpha Xi Delta sorority, was crowned Mr. VSC at the first annual Mr. VSC Contest. He received the top trophies in the three areas of judging: cut-offs, talent, and evening attire. Clifton Young, representing the Black Students' League, was named first runner-up, and received the Mr. Congeniality award from the other contestants. Second runner-up was Glen Phelps, who represented Delta Chi fraternity.

HOMECOMING QUEEN AND COURT

Centered around the theme of "The Soaring Seventies," Valdosta State College celebrated its 1970 Homecoming activities. Katy Hood, of Waycross, was crowned Homecoming Queen by President Martin. A record number of alums returned to watch the Rebel play Jacksonville University. A dance featuring the crowning of the Queen and her court ended the week's festivities.

NEWCOMER

T'was many years where pine trees stood
By a trail where horses ran;
Today the trails no longer run
For here a dream began.

T'was a dream of Spanish flavor
In a place that people knew
And in that spot in Drexel Park,
T'was there that dream came true.

T'was early spring three years ago
When Maddox broke the earth;
He spoke of a brighter future
On the day of our dream's birth.

Today our dream does proudly stand
Amongst the stately pines;
A Fine Arts Building, gray and tall,
A place to culture minds.

Within the massive walls of stone
One can search and find his way
Through worlds of Art, Music, and Speech
From yester-year to present day.

The dedication of the Fine Arts Building on Tuesday, April 7, officially fulfilled the dream of many who were concerned with the inadequacy of the fine arts facilities here at Valdosta State College. A department which profited by the new facilities was the Music Department. The performing arts are reaping the benefits of two acoustically suitable auditoriums, the Little Theatre, seating 244, and the Whitehead Auditorium, seating 811. The Whitehead Auditorium was so named after the parents of Mr. and Mrs. R. B. Whitehead. They contributed the $85,000 Moller Pipe Organ which is THE instrumental attraction of Whitehead Auditorium. The cultural attractions have nearly doubled in Valdosta with the addition of another auditorium. The highlight of these attractions being the performance by the Atlanta Symphony Orchestra in Whitehead Auditorium on April 20.

The Speech and Drama Department presently offers the majors of Speech and Drama an opportunity to participate in various performances and projects.

All majors in Speech and Drama have the facilities of the Radio-Television Studios, the Experimental Theatre Lab, The Little Theatre, Whitehead Auditorium, and The Theatre Workshops at their disposal. Each student selects his area of emphasis, and is encouraged by the Department to experiment on his own, as well as, participate in Departmental functions. The results, so far, have been more than fruitful. Many students of Speech and Drama have been participants in at least one of the following areas: Reader's Theatre, The Experimental Theatre, Wesley Players, Seniors' Productions, and Individual Projects. All of these areas have greatly benefitted, not only the student concerned, but also the Department.

ART — The talented VSC art students are able to further cultivate their talent through the excellent art department in the Fine Arts Building. The building contains studios for painting, drawing, sculpture, metals, ceramics, and advertising design. For the advantage of both the students and public, an art gallery provides a place for displays of faculty, students, and well-known artists. Some examples of the art student's talent are found on the following pages.

ALPHA DELTA PI

Alpha Delta Pi's receipt of the Tap Sullivan Award, presented to the outstanding ADPi chapter in Georgia, marked the culmination of a busy year for the sorority.

During this year, among the awards and honors received by ADPi sisters were: Freshman, Sophomore, and Junior Class Sweetheart; Homecoming Queen; Calendar Girl; SGA President; top five in Miss VSC; and Most Original Float in the Homecoming Parade. ADPi's were also active on the College Union Board, the Student Government Association, the Cardinal Key, and numerous campus clubs and organizations.

Wrapping up the academic year with a bang, ADPi was awarded the Panhellenic Scholastic Award and the Sorority of the Year Award.

ALPHA XI DELTA

During the year 1969-1970, Alpha Xi Delta Sorority has been very successful. The sisters and pledges have worked hard all year in many sorority and campus activities.

Some of the many rewards and honors received were: Song Fest, Greek Olympics, Homecoming Court, TKE Calendar Girls, Who's Who, Best Dressed, S.G.A. Secretary, President of College Union Board, Marga of Senior College, Miss VSC, Miss Valdosta, Miss Pine Cone Court, TKE Pledge Class Sweethearts, and fraternity sponsors.

Alpha Xi Delta, which is the third largest sorority in the U.S., has as its national philanthropy the prevention of juvenile delinquency. Gamma Xi Chapter promotes this through the support of an Indian girl, and gives a party for underprivileged children at Christmas time.

Since the Gamma Mu Chapter of Kappa Delta Sorority was installed on the VSC campus in 1958, her sisters have been known for their fair play, enthusiasm and interest. The first Panhellenic group to work with crippled children, Kappa Delta supports the Crippled Children's Hospital in Richmond, Virginia, and visits regularly the Crestwood Nursing Home in Valdosta.

Active in VSC campus life, sisters of Kappa Delta were represented this year in the Homecoming Court, Who's Who, and the Honor Society. They also held such honors as Senior Class Sweetheart, Finalist in the Miss VSC Contest, Pledge Sweethearts for TKE and Knights of Arlington, and Intramural and Sorority League Champions.

PHI MU

The 1969-1970 school year was another winning year for Phi Mu. The chapter was off to a good start with 23 new pledges. The Phi Mu's were winners in numerous beauty contests, including TKE Calendar Girls, Miss Valdosta contest finalist, and Greek Goddess. The Phi Mu's were named as sweethearts of numerous fraternities as well as sponsors. The Phi Mu's are also members of SGA, Sigma Alpha Chi, and winner of Miss VSC Legs.

In addition to these honors, Phi Mu also engaged in many special activities. Some of these were the Parent-Daughter Tea, Initiation Banquet, and the Pink Carnation Ball. Phi Mu also had a Christmas party for underprivileged children and contributed to its national philanthropy, the U.S.S. Hope.

The 1969-1970 academic year saw many new feathers added to Delta Chi's cap. For the second time, Delta Chi won the VSC Foundation Drive Trophy; for the third time they won the Greek Olympics; and for the fourth year in a row they won the Overall Intramurals Trophy. Delta Chi was also awarded the scholastic trophy.

Participating actively in campus affairs, Delta Chi brothers served as SGA Vice-President and have been elected to serve in the coming year in the same post, as well as Chief Justice of the Student Court and College Union Board Chairman. Additionally, five Delta Chi brothers were listed in Who's Who in American Colleges. Already a leader in campus affairs, Delta Chi is looking forward to even greater participation next year.

PI KAPPA PHI

Since January 17, 1959, when the Beta Tau Chapter of Pi Kappa Phi Fraternity was established on the VSC Campus, Pi Kappa Phi brothers have attempted to distinguish themselves in all areas of campus life. They seek, through College and community participation, to demonstrate the qualities of good citizenship. The Chapter sponsors such annual campus-wide events as the "Miss VSC Contest" and they also sponsored the band that played on Eclipse Day.

Additionally, brothers of Pi Kappa Phi served this year as President of the Inter-Fraternity Council and on the Black Key. Pi Kappa Phi have shown great promise for an even greater year to come.

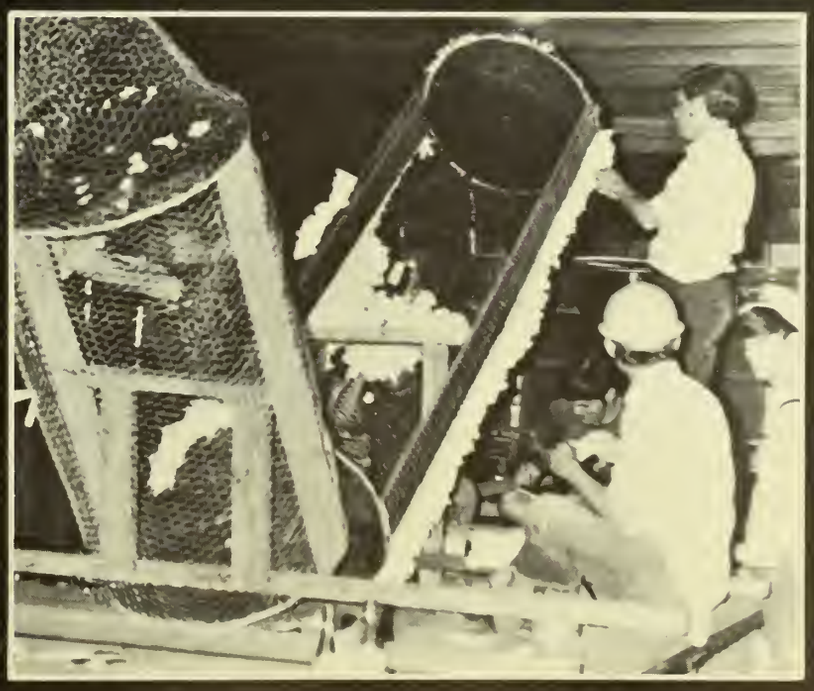
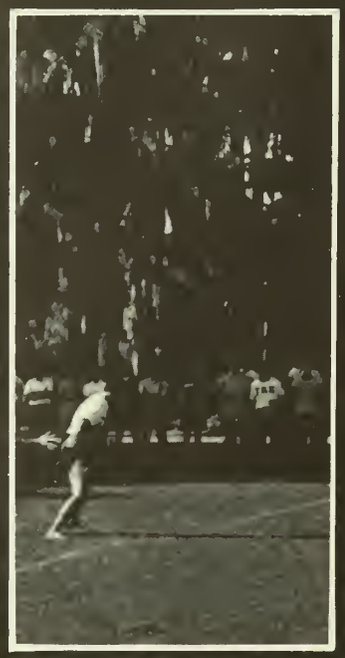
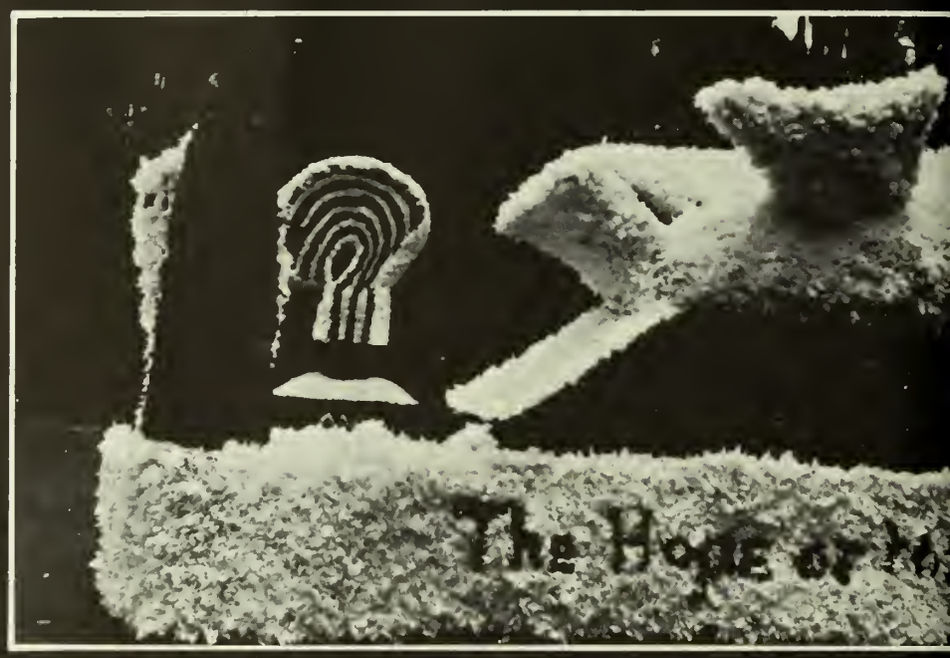
SIGMA PHI EPSILON

Rapidly gaining a position of leadership on the VSC Campus, the brothers of Gamma Chapter of Sigma Phi Epsilon this year served as the President of the Student Government Association, Vice-President of the Inter-Fraternity Council, and members of numerous campus activities and organizations. Sig Eps won the Greek Week Talent Show, Athlete of the Year, the badminton championship, the diving competition, and were represented in Who's Who in American Colleges.

Sigma Phi Epsilon brothers have worked hard this year, as always, to create and encourage the perpetuation of friendship among men, and have sought through example and leadership to develop, strengthen, and maintain high moral principles, which are so vital to the future happiness and success of all individuals.







TAU KAPPA EPSILON

Tau Kappa Epsilon, the fraternity for life, is the world's largest social fraternity with 277 active chapters. The Zeta Nu chapter started its 11th year at VSC on January 10, 1970. The anniversary was celebrated with a banquet and dance at Minchews. This year the TEKE's sponsored the annual Calendar Girl Contest, Spring Frolics, and were intramural basketball champions for the second consecutive year, and Crab ball tournament winners for the third year in a row. Their homecoming float was judged most beautiful and also received the President's Award. TEKE fraters were active in varsity basketball, baseball, Student Government, Student Court, Black Key, and Sigma Alpha Chi.

DELTA SIGMA PHI

In the few short months of Delta Sigma Phi Fraternity's existance at Valdosta State, the Delta Sigs have come a long way. Shortly after they were formed in April of 1969, they moved into the second officially recognized fraternity dwelling at VSC. Since that time, they have prospered and grown. They will soon move from the status of a colony to chapterhood in the twelfth largest international fraternity in the world. Delta Sigma Phi is the fraternity of Engineered® Leadership, and the bond of brotherhood is a strong one in the close-knit group.

KNIGHTS OF ARLINGTON

This year the Knights of Arlington sponsored the Sorority of the Year Award. The highlight of the year was the Old South Ball during winter quarter.

The K of A's have participated actively in intramurals, of which they won the independent trophy, and other school activities. This group is currently working on being granted a charter from the Kappa Alpha Order.

Walt Dickson, Gary McCorvey, Wayne Whitfield, Eddie Middleton, Joe Fordham, Dick Coley, Jim Slaughter, Brother Adams, Mike Hawkins, Derron Swindle, Roger Womack, Johnny Giles, David Hathaway, Richard Vann, Jack Toole, Jim Holleyfield, Wyatt Spann, Ron Windsor, Brad Barnes, Doug Nipper.

PHI DELTA DELTA

The Phi Delta Delta have completed its second successful year on the Valdosta State campus. Under the leadership of Jim Slaughter, they have become involved in a number of activities which will help to enable them in becoming a national fraternity.

GROUPS

UNION BOARD

FRONT ROW: Mary Lassiter, Jayne Spell, Laura Arnold, Jean Floyd, Phyllis Clark, Eleanor White, Dottie Wamble, Diane Couey, BACK ROW: Mike Strom, Tommy Stackhouse, Bubba Baggs, Charlie Howell, Mr. Ferrell.

Valdosta State College Union Board is responsible for providing social as well as educational entertainment for the pleasure of the entire student body. Besides concerts by Jerry Butler, and Jay and the Americans, the Board has also sponsored various dances, lectures, seminars, and movies. To complete its activities for the year, the Board sponsored Spring Festival which was a week full of games, activites, and competitive sports.

CONCERT BAND

Eclipse Brings Internatio Recognition To Valdost

If you happen to be on campus the Saturday of March 7, smile. You might be on television.

CBS-TV cameras will be located on the front campus, providing viewers with a cross section of observers, serious and casual astronomers from different geographical locations, VSC students and faculty and Valdosta residents. In addition, CBS is reporting the eclipse from other locations in the path of totality (the 85 mile wide shadow of the moon which will race at 1500 miles per hour across the earth as the moon slips in front of the sun). The eclipse will reach Valdosta at 1:19 pm and last approximately two minutes.

Approximately forty CBS-TV representatives have been assigned to VSC. the maj

cast what is happening on campus the day of the eclipse," according to Jagoda. "We certainly have no objection to students being in the area of the cameras as long as they don't interfere with the amateur and professional scientists."

Also on campus are Don McGraw, network operations engineer, and Vincent E. Rocco, microwave and RF communications system manager.

Dr. Raymond Hunter, head of the VSC Physics Department, is coordinating all observation plans in Valdosta. In addition to handling correspondence from various individual groups across the United States, Dr. Hunter is handling details for required facilities of the 20,000-member Astronomical League

DR. SIDNEY WALTER MARTIN

DR. S. WALTER MARTIN
VSC PRESIDENT

With the academic year 1969-70, the VSC campus is characterized by expansion. President S. Walter Martin has diligently followed the growth for three years. Under his leadership, new high-rise resident facilities, a vast parking area, a new fine arts building, and an enlarged cafeteria have become realities. Foremost in his progressive attitude is Dr. Martin's concern for the students and the college. Attendance at ball games, special student meetings, and convocations are all a part of his showing concern. Such sincere and constant interest has gained much respect and admiration for this man of dignity and high principles. With a glimpse of Dr. Martin during his nightly walks, one can see his face a glow with pride for VSC.

ADMINISTRATIVE COUNCIL AND ACADEMIC COUNCIL

One of the primary channels through which the Valdosta State College faculty expresses its views on the affairs of the college is through councils. Two of the major councils are the Administrative Council and Academic Council.

The Administrative Council consists of the President, who shall be the presiding officer; the Dean of the College; the Dean of the Students; the Registrar; the Director of Admissions; and other select personnel of the college. Among its various duties, the Council serves as an advisory board to the President on all administrative policies of the College; studies the physical needs of the College and makes recommendations as to needs for, and location of, new buildings; and recommends policies regarding teaching loads, salary schedules, tenure, leaves of absence, and other matters of similar nature.

The Academic Council includes the Dean of the College, who shall be the presiding officer; the Head of each of the academic departments of the College; two representatives at large of the general faculty of the College; the chairman of the Graduate Council; the Librarian; two members of the student body as recommended by the Dean of the College and other select college personnel. Among its various duties, the Council is responsible for all policies pertaining to the educational programs of the College; considers for approval or disapproval all curricular changes proposed; and determines the requirements of degrees offered by the College. The Academic Council has several committees set up below it in order to discharge more effectively the duties entrusted to the Council.

FOREIGN STUDENTS

Being thousands of miles away from home, the foreign students at VSC adapted well to the American way of life. They participated in the yearly VSC activities, gave of their talents, and exchanged views with students. They helped the VSC students to more fully understand the culture of their individual foreign countries.

CHAIRMAN — DR. RAYMOND E. HUNTER

Graduate work at VSC was initiated during the academic year 1966-67, when President S. Walter Martin appointed the Graduate Committee to govern the new Master of Education program. In November, 1967, the committee was replaced by the Graduate Council, which is composed of members from each department involved in graduate work, two members appointed by the President from the Graduate Faculty, and three members elected by the Graduate Faculty. The Director of Admissions and the Dean of the College serve as ex-officio members. Each member, except the ex-officio members, serves a three-year term but may be reappointed or re-elected for another term. The Council chairman is appointed by the President on a recommendation by the Dean of the College. The Council has the responsibility of establishing regulations for all areas of graduate studies and administering the office of graduate studies. The policy decisions of the Graduate Council are subject to approval by the Graduate Faculty and the Academic Council.

The Graduate Faculty consists of about fifty members of the College Faculty who have been nominated by the Graduate Council, seconded by the Dean of the College, and appointed by the President. The member must either hold or be currently engaged in the final stages of study toward the highest earned degree in their field.

The current degrees offered are: Master of Education in Elementary and Secondary Education with emphasis in subject fields; Master of Arts in History; and Master of Arts in English. By September, 1970, a Master of Science in Physics and a Master of Arts in Math will also be offered.

Compiling a yearbook for a college campus is a difficult job. The end results are only made possible through the help of numerous individuals. We would like to thank our advisor, Dr. Marvin Evans, for his understanding manner and cooperative attitude. To Dan Troy, The American Yearbook Representative, we give our thanks for his help. A special thanks goes to the Art, Physics, and English departments for their patience and willingness to help.

To O. M. Sanders, Jim Nygaard, Larry North, and Ed Green, and Robert Winters, Our photographers, we say thank you. Without you we would have had a blank book.

To Mrs. Grisby we say a warm thank you for the many smiles and lift-ups that you provided. To Liz Barcalow and David Stroupe a special thanks also for helping to type the index.

Last but not least, we give our thanks to the few faithful staff members and, especially, to all those hall friends who meandered in with their words of encouragement and helpful suggestions.

Sincerely,

Suzi Shingler

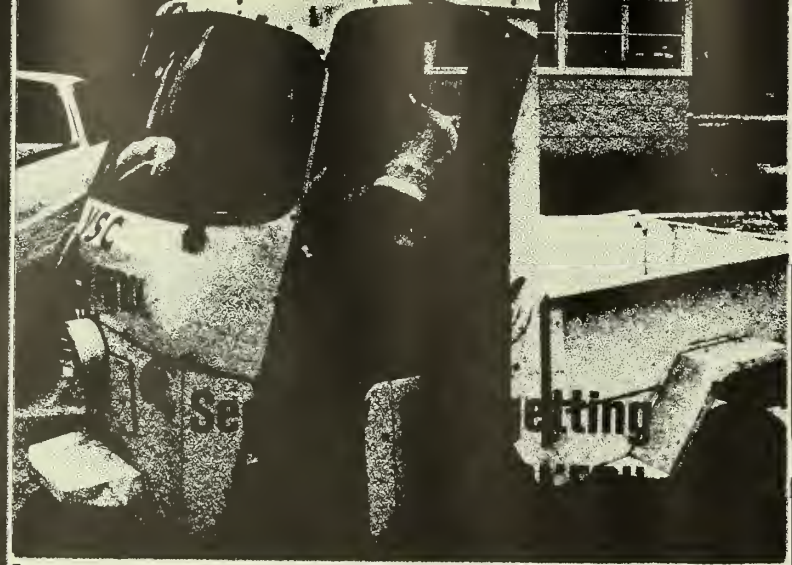
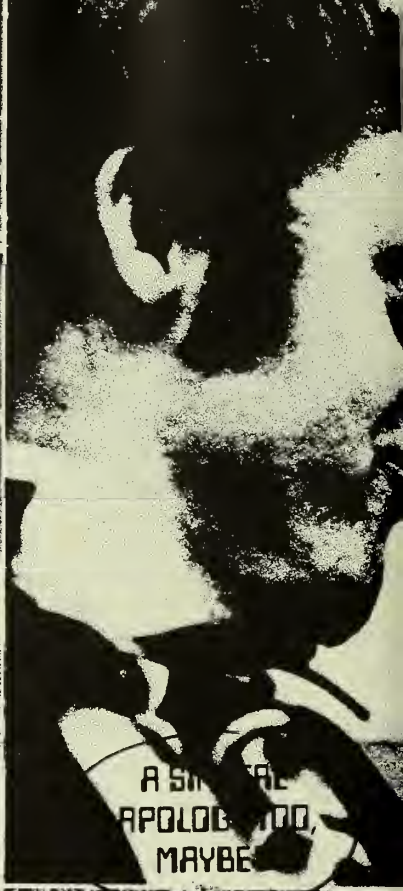
DIET OF THE MONTH





Living
with
People
Think About the Environment
Mother . . .

Armed with the knowledge that I may call anything I dislike pseudo-, I feel that I am equipped to leave this place. It's hot in here, and besides, I'm out of cigarettes. Why the hell should I stay? I mean, if I move fast enough, I may be able to evade that chain that keeps getting tighter and tighter. Anyhow, what else is there for me to do here? I've made all the big dances, and even some of the small ones. I've read all the dirty jokes on the bathroom wall so many times that I don't even smile anymore. There's a building going up over our favorite spot in the park. I have memorized the menu at Shoney's, even after all the prices were changed, and I can tell you the name of any waitress.

It's funny as hell when I look back. If only I had known it was going to be like this, I wouldn't have minded. But, then, at least the dean was baldheaded.
